Export Product Catalog

15+ YEARS OF EXPORT EXPERIENCE

Crafted in Pakistan. Prepared for global trade.

ABOUT MSM GLOBAL EXPORTS

From Pakistan's salt heritage to global shelves.

MSM Global Exports is a Pakistan-based B2B exporter of authentic Himalayan rock salt products sourced from the Khewra region.

For more than 15 years, we have supported importers, distributors, wholesalers and private-label brands with market-ready salt products for décor, wellness, hospitality, foodservice and construction applications.

Pakistan origin	Himalayan rock salt sourced from Pakistan's Khewra region.
B2B focused	Product formats designed for wholesale, distribution and private-label programs.
Export support	Custom packaging, private labeling and shipment documentation available.

15+

YEARS OF EXPORT EXPERIENCE

Serving international buyers with a practical, quote-led approach.

- IMPORTERS
- DISTRIBUTORS
- WHOLESALERS
- PRIVATE-LABEL BRANDS

PRODUCT 01

Himalayan Salt Lamps

Natural light. Distinctive form. Retail-ready appeal.

Each lamp is hand-carved from ancient Himalayan rock salt, so no two pieces share exactly the same color, texture or silhouette. Selected formats are supplied with a natural wood base and a dimmer-compatible bulb arrangement.

KEY BENEFITS

- Warm amber glow creates a calming ambience
- High-demand décor and wellness retail category
- Natural variation makes every piece one of a kind

COMMON USES

- Home décor and living spaces
- Spas, yoga studios and hotels
- Corporate gifting and retail resale

FORMATS & VARIANTS

Approx. 2-3 kg through 20 kg+. Natural, basket and crafted shapes.

PRODUCT 02

Salt Bricks

Precision-built for luminous architectural surfaces.

Precision-cut Himalayan salt bricks bring natural mineral variation to large installations while maintaining the dimensional consistency required for repeatable layouts.

KEY BENEFITS

- Naturally antibacterial material
- Striking amber effect when backlit
- Consistent dimensions for larger builds

COMMON USES

- Halotherapy salt rooms
- Spa walls and sauna interiors
- Restaurant feature walls and wellness centres

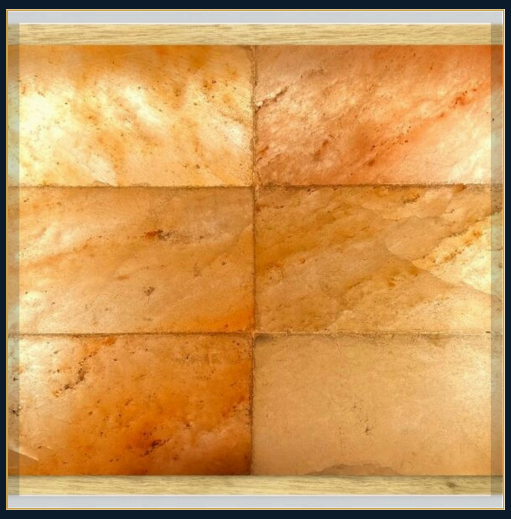

FORMATS & VARIANTS

Standard 200 x 100 x 50 mm and 200 x 100 x 25 mm. Custom sizes available on request.

PRODUCT 03

Salt Tiles

Polished surfaces for spa, sauna and feature-wall projects.

Polished Himalayan salt tiles are prepared for wall cladding, flooring accents and interior wellness applications. Uniform thickness supports cleaner installation, while custom cuts help match project specifications.

KEY BENEFITS

- Heat-resistant natural material
- Naturally antimicrobial surface
- Dramatic visual impact with backlighting

COMMON USES

- Spa and sauna construction
- Salt therapy rooms
- Feature walls and interior accents

FORMATS & VARIANTS

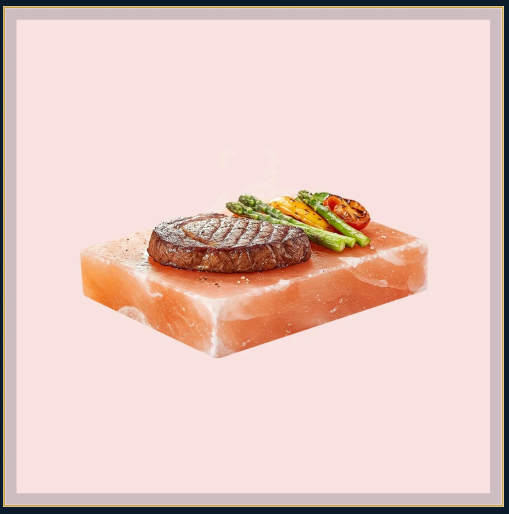

Uniform-thickness tiles with polished faces. Custom cuts available on request.

PRODUCT 04

Cooking Plates

Natural mineral presentation from freezer to grill.

Food-grade Himalayan salt cooking blocks can be used hot or cold, bringing delicate mineral seasoning and memorable presentation to professional kitchens and gourmet retail.

KEY BENEFITS

- Gentle mineral seasoning
- Even heat and cold retention
- Naturally antibacterial salt surface

COMMON USES

- Searing meats and seafood
- Chilling sushi and desserts
- Restaurant table service and gourmet retail

FORMATS & VARIANTS

Standard 20 x 20 cm and 30 x 20 cm. Custom formats available on request.

PRODUCT 05

Serving Plates

Hand-finished platters for elevated food presentation.

Round and rectangular serving plates are cut from Himalayan rock salt, then hand-finished to a smooth, food-safe surface for hospitality and retail use.

KEY BENEFITS

- Elegant natural presentation
- Gentle seasoning at the point of service
- Simple care - wipe clean after use

COMMON USES

- Sushi, cheeses and desserts
- Appetizers and tasting menus
- Catering and hospitality service

FORMATS & VARIANTS

Round and rectangular formats. Sizes and edge finishes quoted to order.

PRODUCT 06

Candle Holders

A warm glow in an accessible décor format.

Hand-carved tealight and votive holders reveal the warm translucence of Himalayan rock salt when lit, making each piece a naturally varied display item.

KEY BENEFITS

- Premium ambience at an accessible cost
- Each piece carries unique mineral variation
- Strong gifting and décor retail potential

COMMON USES

- Home décor and spas
- Restaurants and hotels
- Weddings, events and gift sets

FORMATS & VARIANTS

Tealight and votive formats in natural and crafted shapes. Sizing quoted to order.

PRODUCT 07

Salt Baskets

Natural salt texture in a versatile display piece.

Woven baskets filled with rough Himalayan salt chunks create an inviting decorative accent for homes, hospitality spaces, spas and retail displays.

KEY BENEFITS

- Natural, textural decorative accent
- Versatile styling across interiors
- Attractive format for volume retail programs

COMMON USES

- Home and spa décor
- Retail and hotel displays
- Gift hampers and curated sets

FORMATS & VARIANTS

Woven basket format with rough salt chunks. Basket finish and fill quantity quoted to order.

PRODUCT 08

Detoxer

Compact mineral warmth for non-medical wellness settings.

The hand-carved salt dome gently warms for foot or hand wellness sessions, creating a soothing mineral-warmth experience in a compact format suited to professional or home environments.

KEY BENEFITS

- Soothing mineral warmth
- Compact professional wellness format
- Suited to growing spa and home-wellness ranges

COMMON USES

- Spas and wellness centres
- Salt therapy rooms
- Home wellness sessions

FORMATS & VARIANTS

Hand-carved dome formats for foot or hand use. Configuration quoted to requirement.

For wellness use only. This product is not a medical treatment or diagnostic device.
